to The Evening World.) RACH TRACK, SHEEPSHEAD BAY June 22.-The attendance to-day was flattering, considering that the weather Frequent showers fell during the journey pecting that the afternoon would be stormy and the going heavy.

The track was dry, however, and in fine condition. The card was extremely attractive and promised racing of an inusually interesting character.

Andrew Thompson, who owns Mabel Andrew Thompson, who owns Mabel Glenn and other horses, is critically ill of pneumonia. Thompson is popular with all calsses, and is considered one of the best judges of a horse and of public form in the country.

The time made by Annisette in the first race establishes a new track record. The previous record was held by Rosa H. who, in August, 1832, with 165 pounds up, ran six and a half furlongs in 1.21 2-5. PERST RACE.

Anisette led from start to finish. Griffin never relaxed his pull and the filly won, hard held, by three-parts of length from Hermanita, who came arough in the last furiong and beat Agitator four lengths for the place. Time—1.29 2-6.

Applegate second, under a pull, and Ardath next. As soon as they straightened out Applegate went to the front and won in a canter by three lengths. Floretta, who stopped very fast, was whipped out to beat Wishard half a length for the place. Thime-1.11 2-5.
